O beautiful for spacious skies,
For amber waves of grain,
For purple mountain majesties
Above the fruited plain.
America! America!
God shed His grace on thee,
And crown thy good with brotherhood
From sea to shining sea!
O beautiful for pilgrim feet
Whose stern impassioned stress
A thoroughfare for freedom beat
Across the wilderness
America! America!
God mend thine every flaw,
Confirm thy soul in self-control,
Thy liberty in law.
O beautiful for patriot dream
That sees beyond the years
Thy alabaster cities gleam
Undimmed by human tears.
America! America!
God shed His grace on thee,
And crown thy good with brotherhood
From sea to shining sea!

Cowboys tied for third in district with a 5-5 record

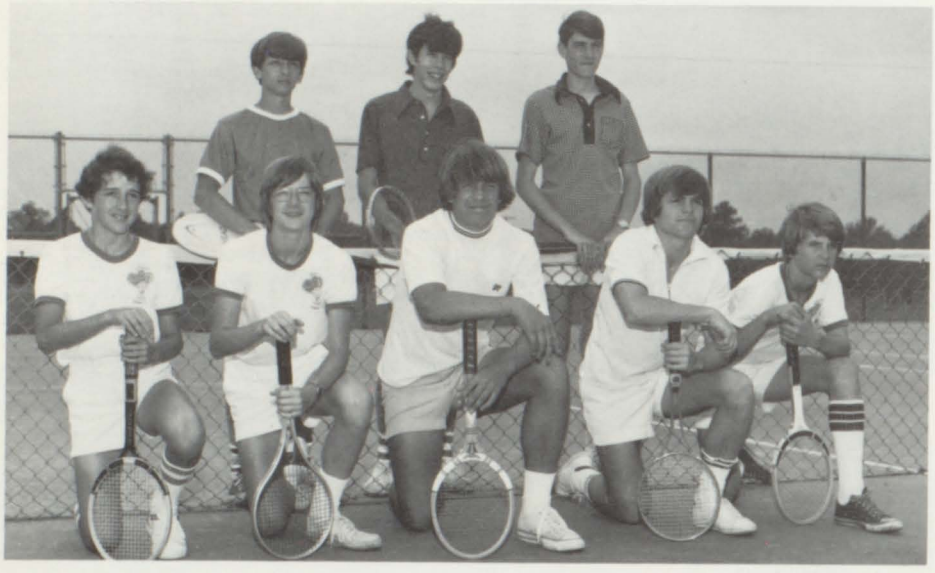

Ending the season with a 5-11 record the Cowboys seemed to have fought the rain as much as the opponent as seven games were rained out. Southwood's only all-district player was Danny Huffstickler; while Joel Murray, Mike Cash, and Robbie Aubrey all received honorable mentions. Other outstanding players were Paul Cole, pitcher; Jack Serpas, Scott Crosby, and Phil Wherle. Ron Worhten and Ed Hartfield coached the team throughout the season.

Previous Records

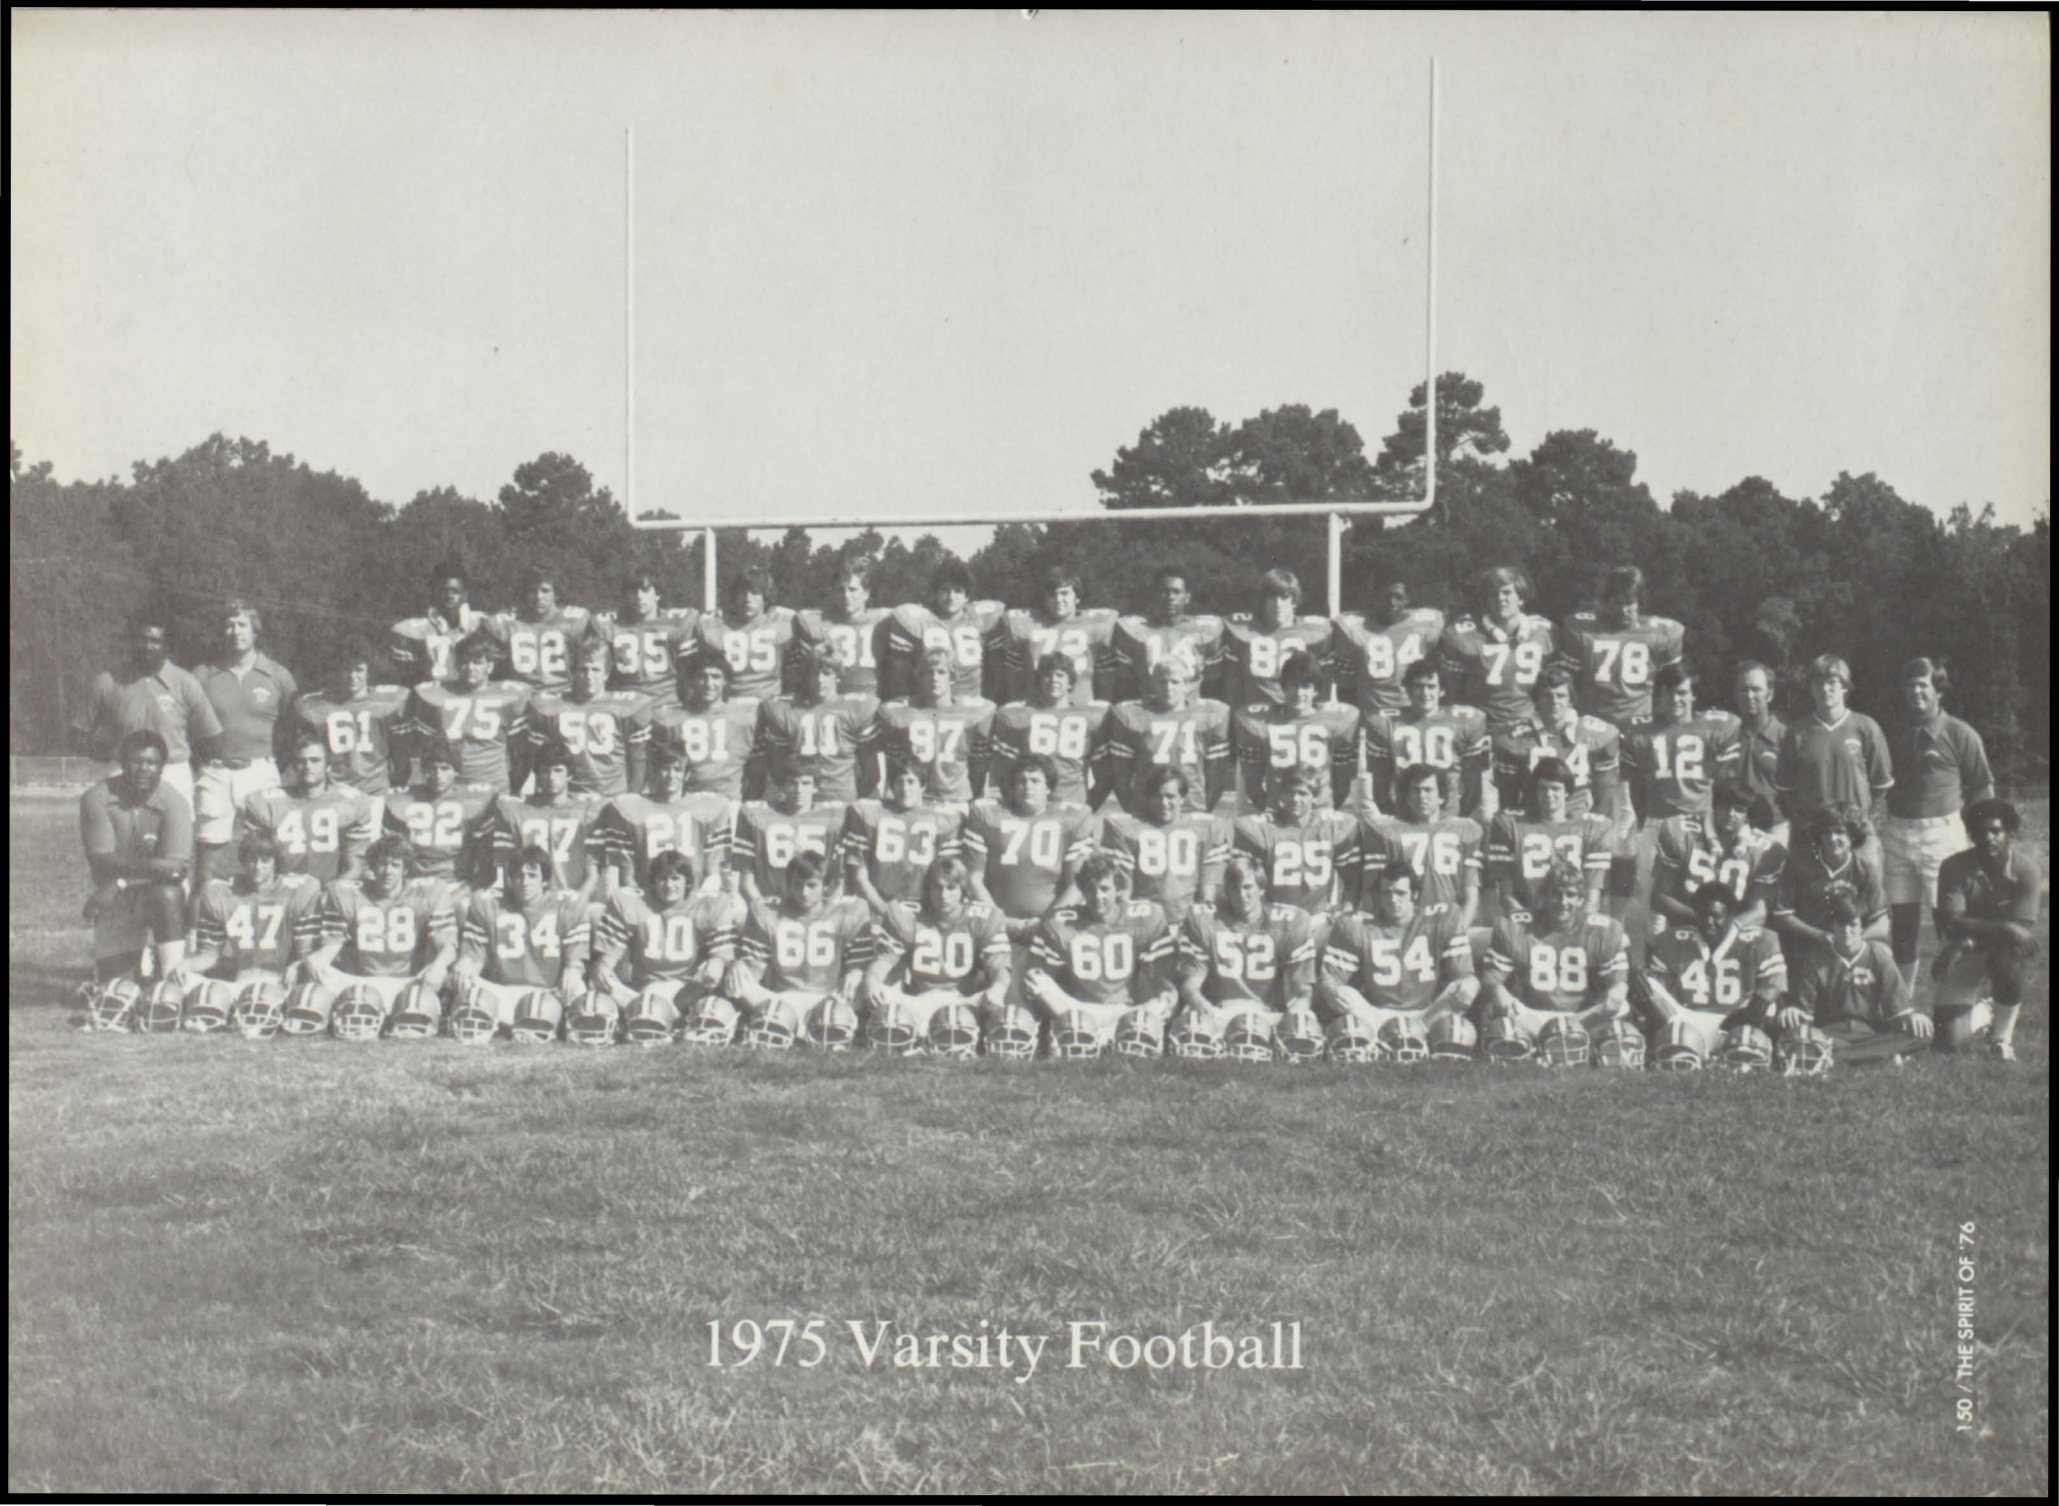

The 1975 season was a great success for the Southwood Cowboy trackmen. The spirited team hosted the first "Cowboy Relays" ever and tied for third place in district, with Gerald Gatlin as their leading scorer for the year.

New varsity track records were set by the Cowboys in the mile run, 180-yard low hurdles, 880 relay, mile relay, discus throw, high jump, and pole vault. The record for the 120-yard high hurdles was tied.

Southwood's leaders in regional competition were Darrell Smiley in the pole vault, Steve Mahan in the high jump, and Gerald Gatlin in the shot put and discus.

BOSSIER

7-13

Southwood's opening game was a big disappointment as they fell behind Bossier in non-district play. When the Cowboys finally got things together, it was too late as the Bearkats ate up the last eight minutes of the game. Playing tough was what the Cowboys did that game as two of Bossier's top players were injured.

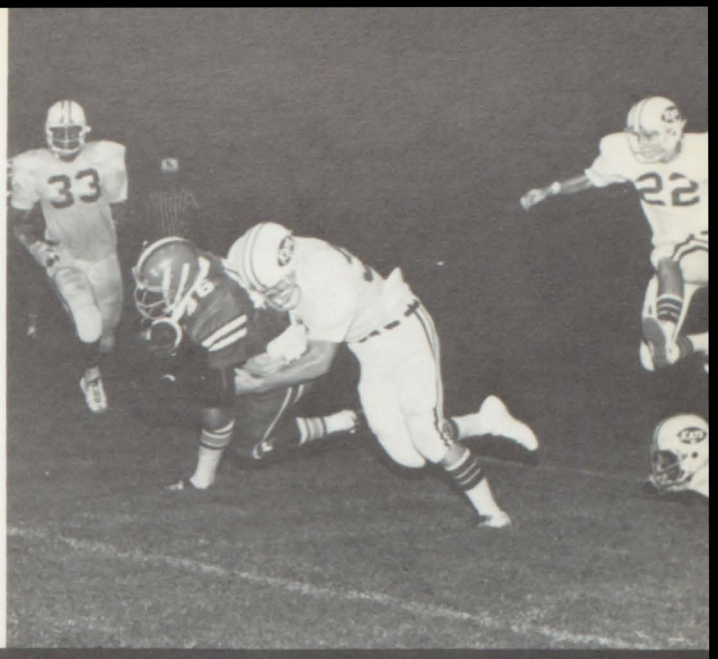

JESUIT

13-7

In a close contest the Cowboys pulled out a victory over the Flyers. The game was actually won by the tough Southwood defense since they held the Blue Flyers three times near the Cowboy end zone. Randy Winans picked off a floating pass on Jesuit's final drive.

21-14

Superfly Larry Duncan rushed for 207 yards in Southwood's first victory of the season. The Cowboys led the game all the way but never held that "comfortable" lead. Quarterback Robin Wasson led the Cowboys for his first time and did an excellent job against the North Caddo team.

26-7

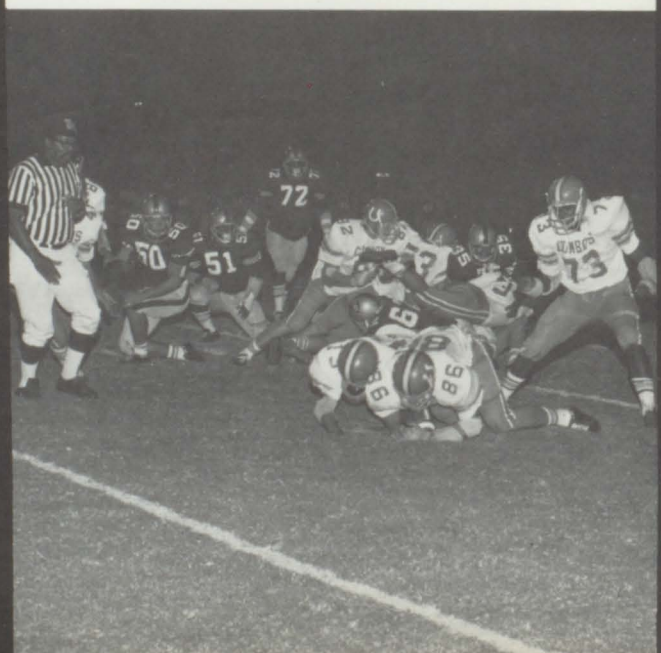

In Southwood's first district stand off, the Cowboys totally destroyed their opponent, the Lions. Quarterbacks Gerald Norder and Robin Wasson alternated throughout the game. The victory was Southwood's third straight, and they were ready for anyone.

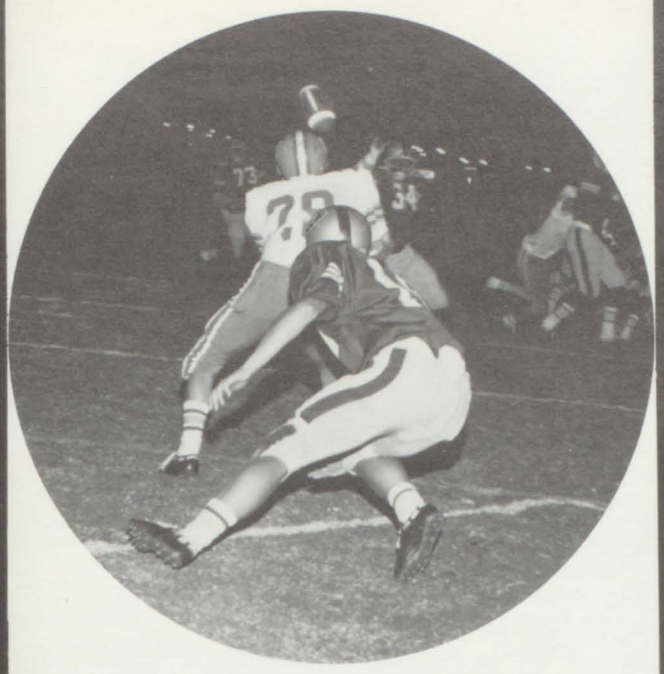

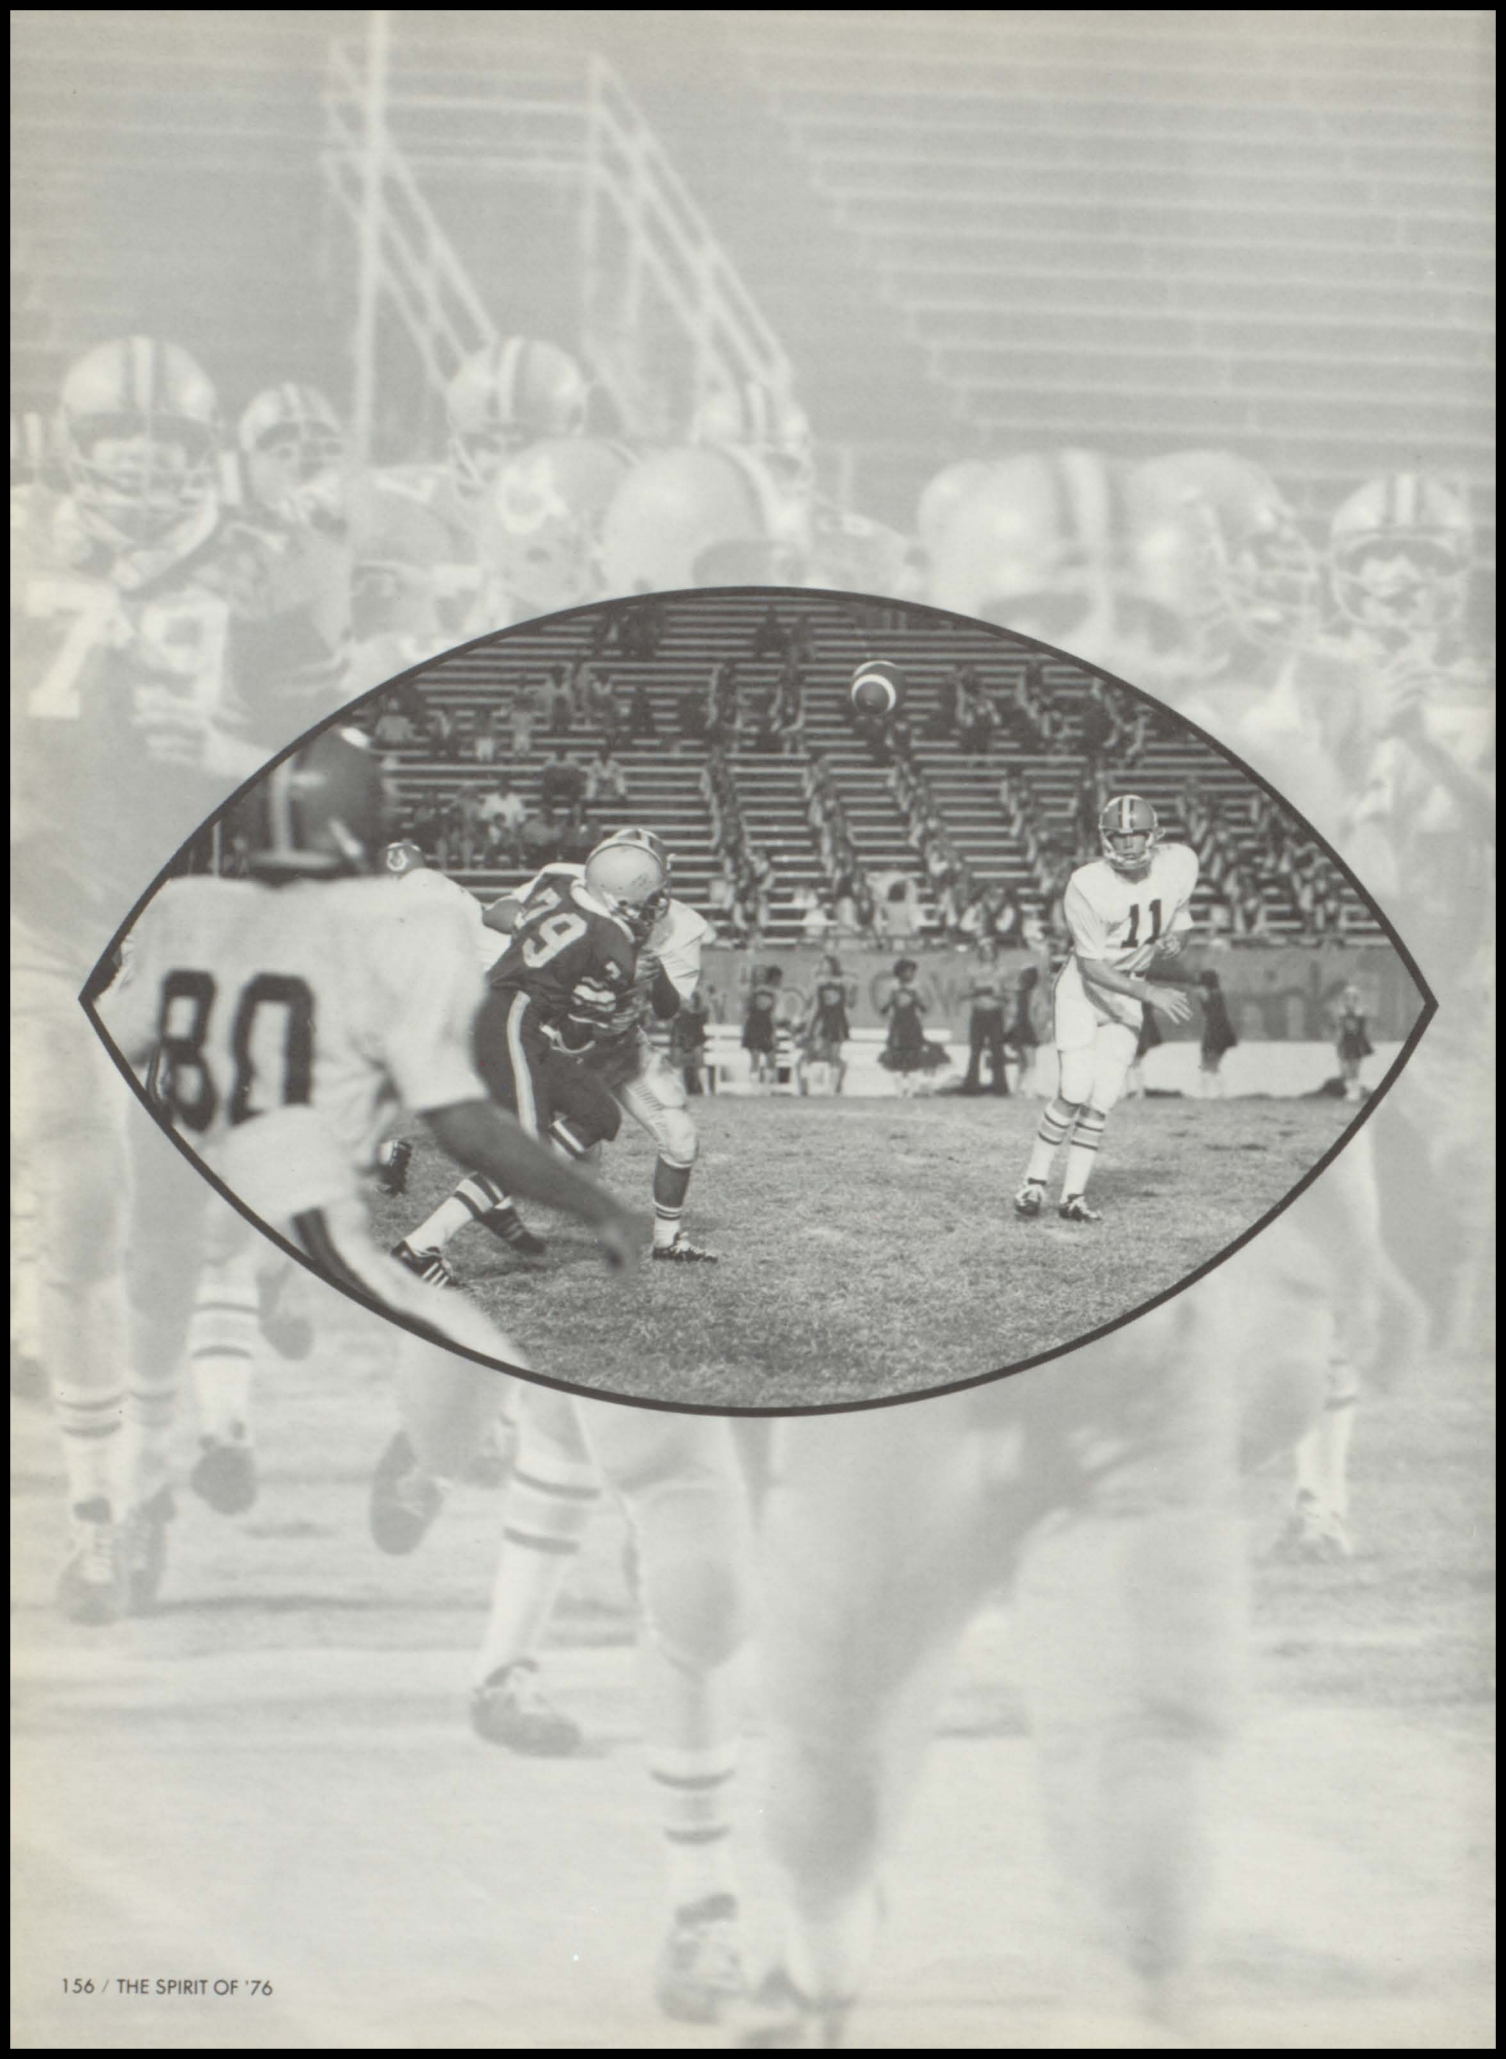

0-24

Southwood had a bad start in the game by fumbling the opening kickoff which gave the Gators the field position for the first score. Captain Shreve scored on the big plays with Southwood being intercepted three times and losing two fumbles. The Gators got their revenge for their defeat in the playoffs last year.

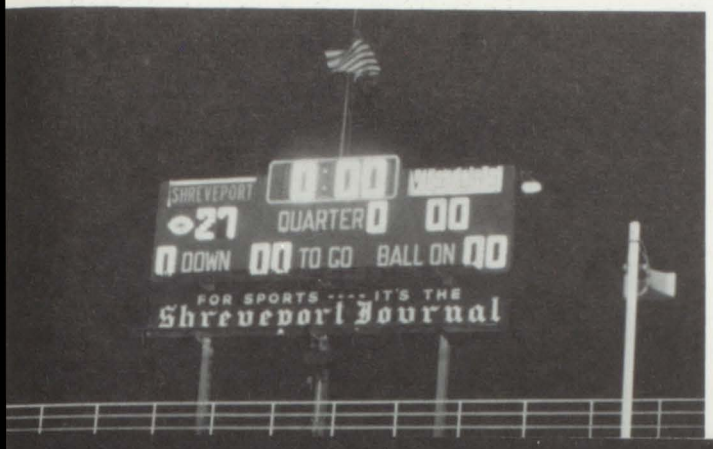

GATORS

27-0

BYRD

Determination was the key to the shutout victory over the Byrd Yellowjackets. After the loss the week before, the Cowboys were not going to let it happen again. The game was full of action with Southwood leading 13-0 at halftime. The other two scores came in the third and fourth quarters and gave the Cowboys the 27 point victory.

25-10

RAIDERS

With both Duncan and Martin out, the Cowboys were able to show the Raiders that Southwood was a good team and could hold together. Southwood now had won their homecoming game two years in a row. Passing and Greg Martin's 68 yards rushing were the keys to the victory over Huntington.

FAIR PARK

0-23

The Fair Park Indians, district champions, defeated the Cowboys. The Cowboys were plagued with turnovers and were not able to move the ball. The game ruined Southwood's chance for a perfect district record.

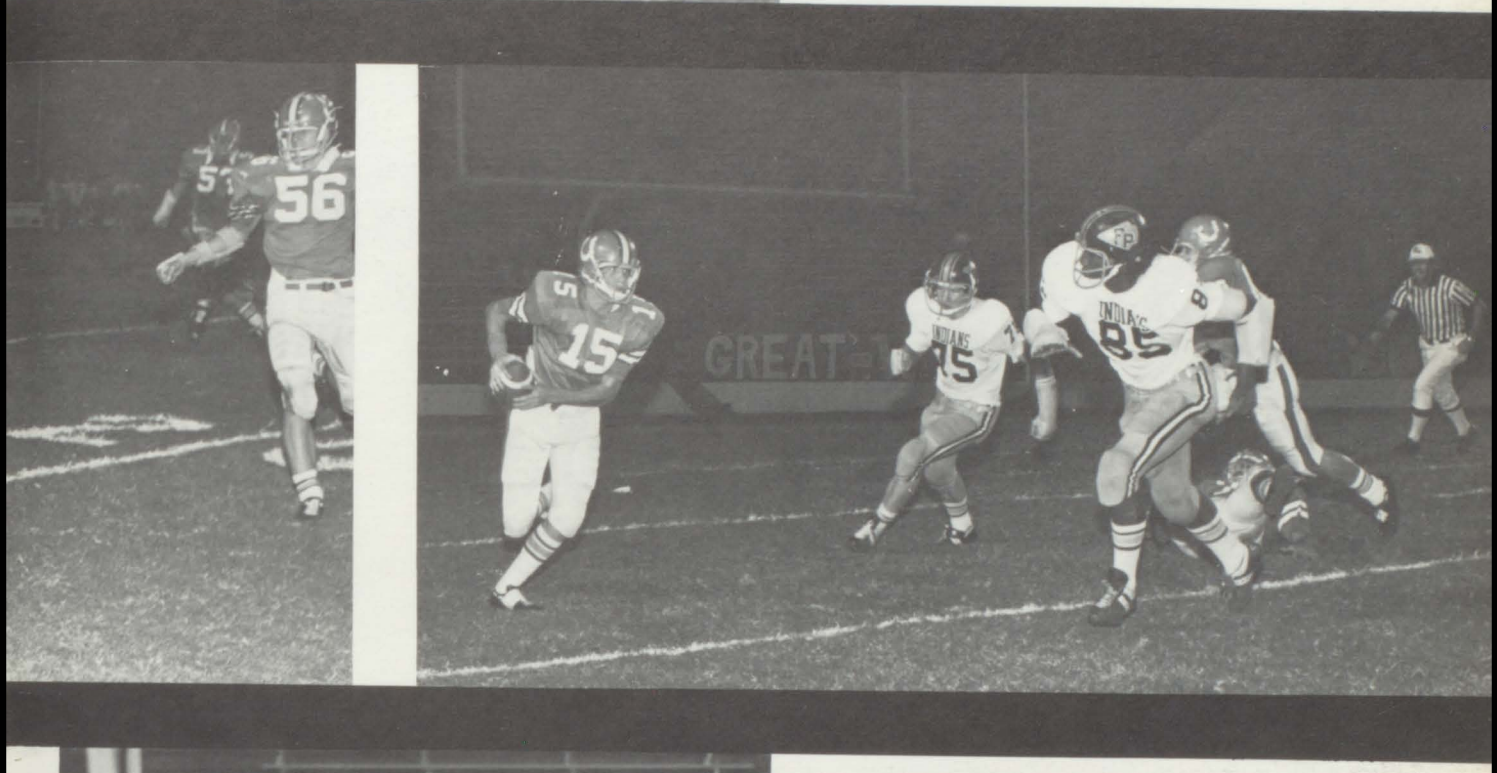

19-7

AIRLINE

Robbie Aubrey had a great night punting. Averaging 41 yards a kick, he also received six passes for 64 yards when the Cowboys bumped the Vikings. The Cowboys played strong and took advantage of Airline's mistakes. The last quarter was nothing but a mudbath as a result of a downpour which started near the end of the third quarter.

28-27

DEAD RED

Big Red was dead before they walked onto the field. Stunning the Knights with the "Cotton Valley Special," Southwood showed they were ready for their arch rival. With eight minutes left to play the Cowboys were behind 13 points. Southwood capitalized on a Woodlawn error and scored from the one. The Cowboys got the ball again and Wasson connected with Aubrey for the winning score.

Pokes Removed From Playoffs in First Round

Returning to the playoffs for the third time, the Cowboys opened against the 2-AAAA district champion, the Bossier Bearkats. Earlier in the season Southwood was defeated by Bossier. The Bearkats used ball control and were able to defeat the hard-fighting Cowboys 26-13.

Cowboy Basketball

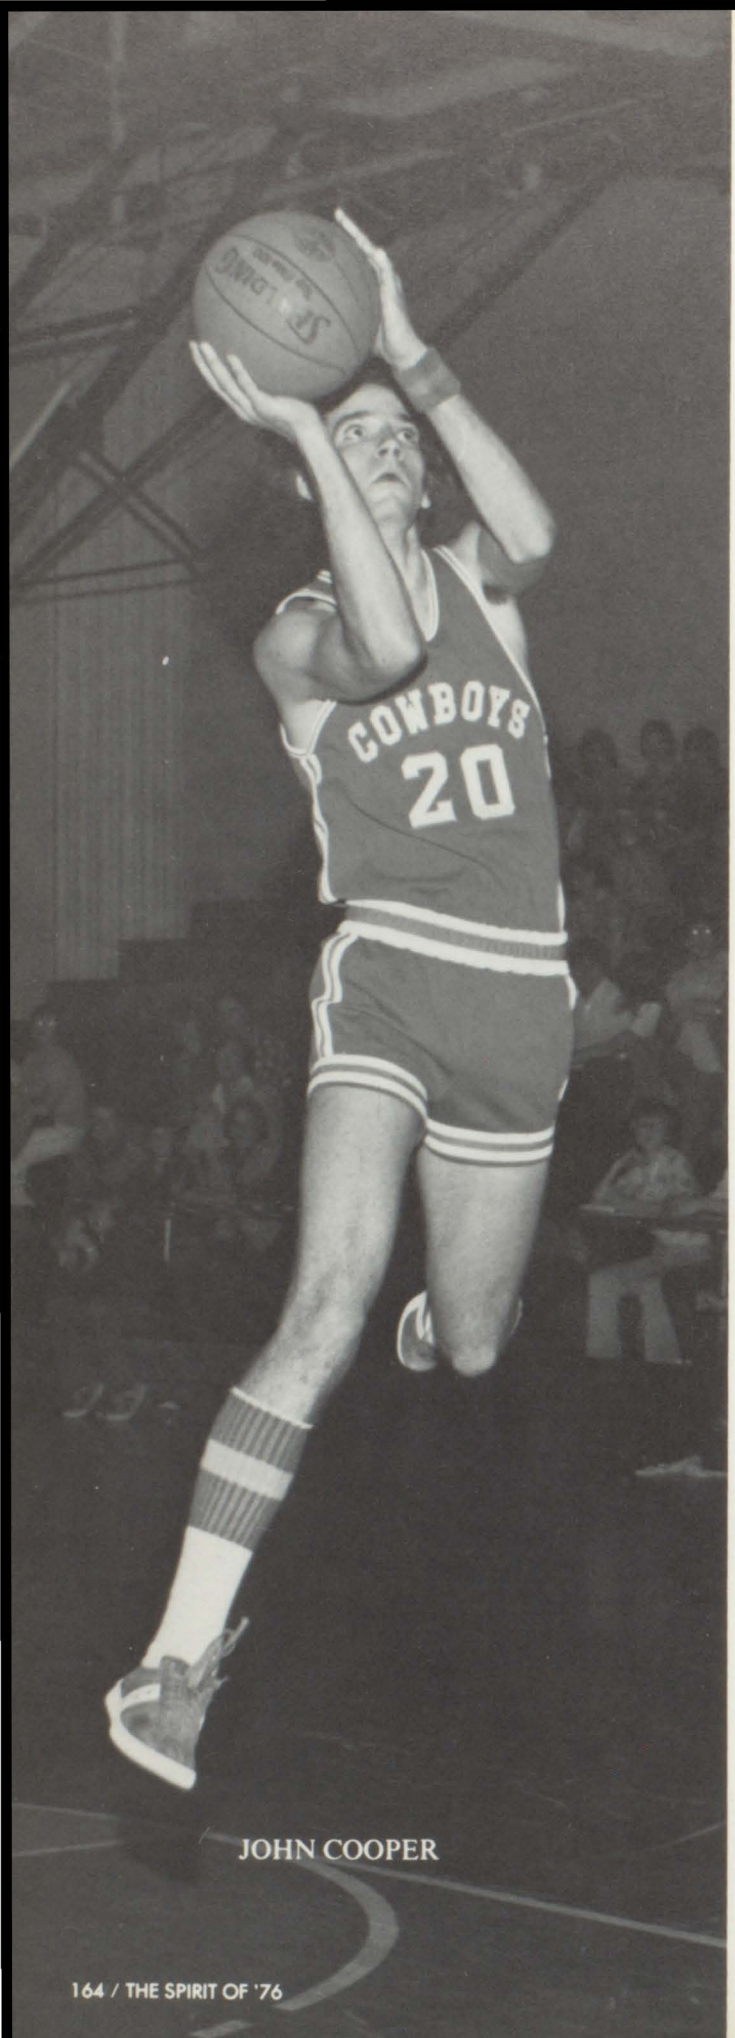

Posted Second Best

Record in School History

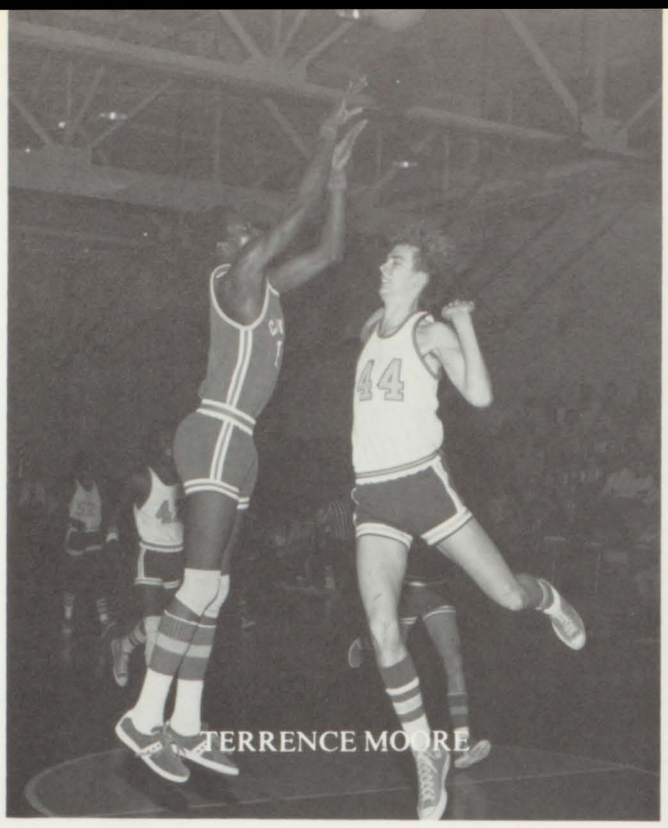

Southwood High School possessed an outstanding basketball team. The members and coaching staff excelled in not only playing ability but also sportsmanship and consistently executed an exciting game. Helping to make the team everything that it was, two players stood out and received special honors. Jeremy Shackleford finished this year with an 18 point average per game and an excellent rebounding record. These efforts lassoed second team all-district and third team all-city for him. Another top player for Cowboy Varsity 75-76 was Terence Moore. His unwillingness to yield to strong competition gained for him first team all-district and all-city. He was also named Outstanding Player for District 1-AAAA and finished the season with 20.8 point average. These and many other talented dribblers helped to make the 75-76 basketball season very unique and successful.

Chapparrelles Rode Tall in Their Saddles

These photographs pictured the ole Chapparrelles as they rarely ever were. The cowgirls were in reality a seldom resting group that practiced endlessly under the prairie sun. They rode infinite miles in rain and wind to give support and spirit to the Southwood cowboys.

Attempting to gain fame and esteem for Southwood, the officers rode west to SMU and there lassoed thirteen outstanding achievement ribbons and placed third in marching competition. Upon their return they corralled the 335 and began to break them in.

With pride in "Big Orange" and great determination the Chapparrelles, under the direction of Ms. Anne Strickland, regained control of South Shreveport's admiration. Leading the Chapparrelles for the 1975-76 season were Marshal Sherry Kidd and Deputy Marshal Jane Cantrell. The highstepping organization began the football season by making their traditional victory line, a western boot with a spinning spur formed by the Silver Spurs. After perfection of the line they introduced their famous "magic box routine," an additive gained during drill team camp. The 670 white, polished boots marched on the field with precision to the familiar tune of "You're a Grand Ole Flag," and began their annual halftime show. Their performance consisted of a military routine executed in a red, white and blue "76," accompanied by the musical score, "Theme From 1776." Playoff pregame festivities were highlighted by the fabulous Chapparrelle version of "Cowboys are #1."

. . . With Cowboys or Alone

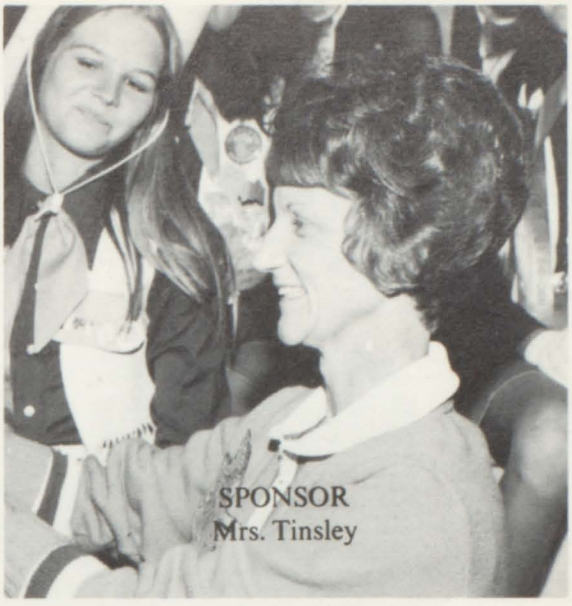

Like any other dance team with a tough job that called for special finesse, the Silver Spurs liked nothing better than to get down to business with practice and hard work. Fresh in from SMU they would scrape off the trail dust, put on some clean duds and then head for the field or court ready to perform. Talk of this team seemed to spring up in virtually every major cow town. Being the first dancing unit from the Red River to the Texas Line, they spent a major portion of their time choreographing dances, learning them, and practicing to become perfect. With the leadership of Captain Kim Hawkins, Lieutenant Danna Harris and Sponsor Patsy Tinsley, the results were compositions that brought pride in Southwood and an image of a dance team that every other dance team tried to achieve. The Silver Spurs proved to be an exciting part of 1975-76 whether with other Cowboys or alone.

Dr. J. E. Turner, Principal

As a principal, one must be able to rejoice in victory and overcome disappointment, while at all times keeping the dignity of one's school and office. For six years Dr. J. E. Turner has done this and more. He has helped bring Southwood to the top and with determination, has kept it there. Dr. Turner is proud of Southwood — its facilities, its faculty and especially its students, "who" he said, "are an 'outstanding' asset to Southwood's spirit and success."

Dr. Turner's dedication does not end as an administrator; he is devoted to fishing and golfing. He has a three handicap and keeps his golf clubs and electric cart at Palmetto Country Club, his favorite local course. Dr. Turner also has a bass rig which he keeps on Cross Lake, but enjoys taking to Toledo Bend when time permits.

Accomplishment is the word for Dr. Turner. His life, personal and professional, is full of it. Southwood is a proud school and Dr. J. E. Turner is one of the reasons why it is.

A long, long road is behind me now
Too late to be afraid of the choice I have made.
But there's one thing I know
Where my spirit tells me to go
That is where I must go — Todd Rundgren

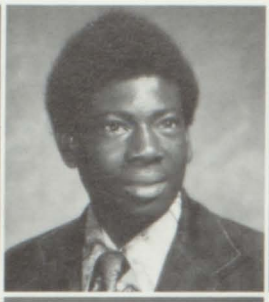

Memories light the corners of my mind.
Misty water-color memories of the way we were
Scattered pictures of the smiles we left behind.
Smiles we gave to one another for the way we were.
Can it be that life was all so simple then?
Or has time rewritten every line?
If we had the chance to do it all again
Tell me — Would we? Could we?
Memories may be beautiful, and yet,
What's too painful to remember
We simply choose to forget.
So it's the laughter we will remember
Whenever we remember, THE WAY WE WERE!

Western Electric

WESTERN ELECTRIC: We're Part of the Bell System . . .

The story of the invention of the telephone begins officially on the night of March 10, 1876: "Mr. Watson, come here; I want to see you!" These historic words, the first sentence ever transmitted over an electric telephone, were uttered by Alexander Graham Bell when he accidentally spilled acid on his clothes. The acid was part of the transmission apparatus, called the "Liquid Telephone;" the receiver was a tuned reed.

From that beginning, the telephone has grown to become a necessary part of everyday life. In 1976, the Bell System has nearly 120 million telephones in service. Worldwide, there are about 350 million telephones in service, 99.5 per cent of which can be easily reached by the Bell System.

The Shreveport Works of Western Electric plays a significant role in the telephone story. Right here in Shreveport, we manufacture over half of all new telephone sets for the Bell System, giving our city the distinction of being the "Telephone Capital of the World."

Our 5,400 employees will continue to provide South Central Bell and the other Bell companies with quality telephones and related equipment. Western Electric's Shreveport Works: We're part of the Bell System . . . We make things that bring people closer.

You're Our Team,
Cowboys!

"I may have a good job for you."

In fact, the Army has over 300 different jobs you could apply for and probably get.

If you qualify, we'll guarantee your choice of job training in fields like construction, computer programming, intelligence, electronics, communications, and many others.

We'll pay you a starting salary of $361.20 a month (before deductions). With a raise to $402.60 after 4 months.

We'll also give you a chance to travel. Get a head start on college through in-service education opportunities. With the Army paying up to 75% of your tuition.

If you're interested, give me a call. You'll not only be doing a good job for yourself. You'll be doing one for your Country.

ROUNDUP EDITORIAL STAFF

The 352-page 1976 Roundup was printed by Taylor Publishing Company, Dallas, Texas; press run was in excess of 1,500 with a budget of $18,330.46. Paper stock is 80-pound dull, trim size of 7½ by 10½ inches. Headline type is 18 point Times Roman. Body type is Printers Type and is either 8 or 10 point. Color pages 1-32 are 50% process blue with 100% process blue type. Cover created by Jimmy Crews. Artwork on all division pages is printed in Buckskin Tan and was drawn by Fred Goza. All photographs were taken by Drummonds House of Photography. Seniors on pages 246-249 are not in alphabetical order because of the late arrival of portraits.

1976 was a year that should have made every American proud. Living in a free society in which each person was able to choose his own life style and pursue his own goals was important. The bicentennial of a free nation was nothing to be taken lightly. It meant that its citizenry had been able to live for two-hundred years without submission of individual rights.

Because 1976 was such a special year, the *Roundup* staff spent much time and money in putting together a book making the bicentennial memorable to Southwood.

Serving as editor of the *Roundup* has brought many new experiences for me. I have had the good fortune of two conscientious persons for sponsors — Mr. E. A. Wilson and Mrs. Nina Morrison, and also the pleasure of working with an industrious staff.

I especially thank Miss Jane Jordan and the members of the *Roundup* Ad and Circulation Staffs, and to Drummond's House of Photography for their assistance in making the book possible. Thanks go also to Mr. Fred Goza and his agent, Mrs. Aloyese Menasco, for the use of Mr. Goza's "Historical Drawings of Shreveport" series.

A very special thanks to you the administration, faculty, staff and student body who so wholeheartedly supported our effort is also in order.
